Football Passion Academy is a football academy that promotes the beautiful game of football. We manage, organise and conduct football events and activities. Using our experience we bring health through sport. We manage youth teams, conduct training camps, competitions, tournaments, coaching sessions, games and other football related activities for kids and adults in Singapore. All our events and activities are developed with the aim to bring players together on the grass to enjoy the game, compete with and learn from each other and develop their talent, skills and knowledge of soccer.

Over the past few years, the key people involved in this company have been heavily involved in soccer through organising tournaments, leagues, games, captaining teams, arranging training / coaching sessions in Singapore or abroad...

We have the pleasure to organise the 4th edition of the largest international youth football tournament in Singapore in association with Little League Academy and our long lasting partner ANZA Soccer.

Little League Soccer is a company that specialises in the football industry throughout Singapore and Malaysia.

Our main activities are coaching football as both an extra-curricular and a co-curricular activity in schools, public coaching of football from ages 4 to 18 years old, coaching of football teams and clubs (all ages), organising football clinics and camps, and organising leagues and tournaments for children, adults and veterans.

We are also a facility provider throughout our 2 centres in Singapore. Little League soccer Singapore has been active since 1999 and was the 1st private football academy to become affiliated to the Football Association of Singapore (FAS). Since then activities and numbers have grown and we are considered the oldest, longest running private football school in Singapore.

Little League Soccer has been active in Malaysia since 2000 and currently runs programs containing the Kick-Start and Centre of Excellence (COE) programmes, clinics, camps, tournaments and leagues for the public at a growing number of centres in Malaysia.

In Singapore, Little League Pte Ltd was awarded 'The Best Small Business Enterprise' by the British Chamber of Commerce.
